KATE VANE.

I well remember when at morn Well remember when at morn
We twain to school would go,
In summer's heat, in winter's chill—
Unheeding sun or snow.
I think of when I used to gaze
Within your bonnet on those days—
Perchance to steal a kiss, Kate Vane.
Ah would the Ah, would that we were young again !

I think of when I "did the sums" That puzzled so your pate. And when I went to say my task, Slipped in your hands the state.
Slipped in your hands the state.
Oft would I claim to get for this
What now were worth a world—a kiss; You did not think it harm, Kate Vane-Ah, would that we were young again!

I think of when the b indle cow Adown the cattle track Chased you, and I with stick and stone In triumph beat her back. Your little cheek upon my breast, Your little lips to mine were prest, Your eyes were filled with love, Kate Vane-Ah, would that we were young again! I think of when I halved with you

My cherished, childish store, And only wished, for your your dear sake, It might be ten times more. Our schoolmates, in their petty strife With us, would call us, 'man and wife : None call us that just now, Kare Vane-Ah, would that we were young again! I see you now when years have passed. And find you full as fair ; Time has not soiled your purity, love you as I did beforeea! deeper, stronger, better, more

What! are you in my arms, Kate Vane?

Dear love, we both are young again!

- Thos. Dunn English. A STRANGE ROMANCE.

For evening dress very pretty shades of blace and many have been introduced, which how fresh and pretty by gashight.

Large purple violets and half blown blush roses, edged with graceful sprays of smilax, form a pleasing combination for round hand bouquets.

Among pretty combinations for picture questions and no more prospect of settling than you had ten years ago. Now if it were ture-sque dresses are pale blue French wools made up with cretonnes that have white grounds nearly covered with Japan and feeling, and his love of nature and of the outdoor world, his favorite authors and familiar haunts, became hers. Between faither and daughter there was an invisible link that could never be broken, and that doubt a daughter there was an invisible link that could never be broken, and this for our three servants a brother and no more prospect of settling than you had ten years ago. Now if it were me, why, the case is very different. A doctor just struggling into practice is white grounds nearly covered with Japan white least, was covered to the least, was said sale shall have

College be fixed at eminary. Before the war Mrs. Saxon \$2,500,00 per annum, and that the Board for wrote very frequently, both prose and peotry, and was a favorite contributor to the Louisville Courier, and leading journals North and South.

The vast difference in the world's treatment of the Professors were fixed at \$2,000.00 cach, and that the Board furnish each Professor, having a family, with a house for residence.

On motion of Judge George the Board promotive of the

dearly loved, turned her attention seriously to the social and civil conditions of women, and she harmed to hate chattle deares.

After some discussion, it was decided to vote Tom seized the kettle, and, throwing and she learned to hate chattle slavery as the door leading to the kitchen she hated the wretched servitude that hedge tary, which resulted in the election of Gen.

sudden appearance of Ida from a storeroom beyond. If Adele looked slovenly
and disheveled, what shall be said of
Ida? An old dress, dirty and torn,

of women while she lived. He was a pris-Ida? An old dress, dirty and torn, slippers run down at the heel and burst out at the sides, no collar or ruffle, very little hair, instead of the mafinificent tresses he had so often admired, and what there was hanging uncombed about her face, no wonder that Tom started in blank astonlahment.

She would never relax her efforts in behalf of women while she lived. He was a prisoner of war at the time, and to this promise of an every one of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made previous to the performance of such extra pay made extra
